Rockford Recreation Association seeks tree donors

The Rockford Recreation Association is conducting a fundraiser to plant trees this fall around the ball fields at Shanes Park.

Norway Spruce pine trees, each approximately 3-4 feet tall, will be planted along the east side of diamond #3 outfield fence to improve the look of the park and serve as a windbreak for the ball diamonds. Shade trees will also be planted around the diamonds.

Individuals, families and businesses are encouraged to purchase a tree for $75, while the association plans to engrave donors' names on a plaque to show its appreciation.

Contact the following:

Ryan Sipe at 419-305-2650 or email rsipe@pbcbank.com if interested.
Lisa Kuhn at 419-363-3032 at the Village Office.
